

KABINKU

Cabin & Container

KabinKu is an established cabin manufacturer industry which is owned by Multop Construction Sdn Bhd (1134407-T).

We as an experienced cabin & container fabricator, our expertise is more focus on portable structure and steel construction.

We are registered with SSM, MOF & CIDB.

Light-Duty Cabin

Made of light steel material normally for short to medium term use such as construction site office, temporary office etc.

Heavy-Duty Cabin

Durable and tougher for medium to long term use. Made of slightly thicker material than light-duty version.

Shipping Container

Very strong structure for rugged and long term use. Made from shipping containers to provide unique presentation.

Modular Cabin

Short fabrication time suitable for mass production. Easy maintenance and durable structure.
